She followed through with her dreams to help others as she founded a lay order of women called the Oblates of Mary. They served the poor. She bought a house for widowed members to live in community. Confirmation Name: **St. Catherine of Bologna**

St. Catherine excelled in painting, Latin and viola. As a nun she was openly willing to serve the more humble roles in the convent and caretaker for animals. During Lent in 1463 she became very ill. After 18 days being buried they exhumed her body because of a sweet scent that came from her grave, they found that she did not decay. So they put her on a golden throne in a chapel in Bologna, Italy. A few of her weaknesses was she suffered temptations of disbelief and found herself in darkness of faith, yet she was always holding the Lord's hand and didn't abandon him.

St. Catherine born September 8, 1413

And her feast day is March 9.
